Clean Cells reserved form
ACKNOWLEDGEMENT OF RECEIPT : Date : Operator : Conformity : Yes No Signature :
 Remarques :

Thanks for taking note of informations below:

This data sheet must be sent by e-mail as soon as possible to the following addresses: gautret@clean-cells.com

Please ensure **to join this document outside the package**, as it must be accessible without opening the package

Technical informations:

- **Frozen samples** (ex: cryovials, cell pellets...) must be sent in **dry ice**.

- For **cells in culture**:

- **completely** fill the flask with culture medium,
- cover the cap with **parafilm**,
- send the flask at **ambient temperature** or **20°C**.

- For **mycoplasma detection on cells in culture**, cells must be grown **without antibiotics** for one week before sending.

- For **sterility**, please provide samples **without antibiotics**.
